We probably all feel a bit like a sleepy housecat when we have to get up for work in the morning.

This Norwegian woman has taken that feeling to the next level. Nano claims

The power of the mind

Knowing yourself truly is...

- Knowing the matrix of things
- Knowing what is fixed
- Knowing how far I can shape things

AND

- Having a guide for that shaping

# How the mind shapes us

# Current thinking

A set of assumptions:

1. We have a simple fixed core | or none!
2. That fixed core is good
3. What you choose is your free choice
4. That feelings are the key to making these choices
