

Opened My Eyes

Verse 1

**Pursuing my desires
But blind to their deceit
Running headlong into darkness
A wreckage on repeat
But because of your great love for us
We are made alive with Jesus Christ
Its by grace we have been saved**

Chorus

**You opened my eyes and let me see
The love of Christ poured out for me
This glorious hope, the richest grace
And the power that raised him from the grave
Incomparable mighty strength for those you save**

Verse 2

**And from your glorious riches
Strengthen us within
Established in you mercy
Help us comprehend
How high and deep and long and wide
Is the boundless love of Jesus Christ
Let it overflow in me**

Bridge

**O Redeeming King On my knees I pray
Jesus, dwell in us In our hearts through faith**

Outro

**So fill my lips with praises
And fit my feet to go
For the glory of Your Name**
